INSTRUCTIONS:

The Permit Application Form shall be submitted to the Cascade County Planning Office for review. The applicant shall obtain all required permits/forms as part of the permitting process:

- no* • If your property is in a regulated floodplain, a Floodplain Permit must be obtained first from the Planning Office.
- If an approach to the property is from a county road, an Approach Permit is needed from the Cascade County Public Works Road and Bridge Division. If an approach will be off a state highway, an Approach Permit is needed from the State of Montana Department of Transportation. *Has existing approach to Highway*
- no* • If your property needs an assigned address, contact from the Cascade County Public Works GIS Division for an address application.
- no* • If your property needs a wastewater management permit, you must obtain a septic system permit from the City County Health Department (<http://www.cchdmt.org/environmental-health/>).
- no* • All projects that disturb an acre or more are required to have a "General Permit for Storm Water Discharges Associated with Construction Activity" from the MT Department of Environmental Quality (<http://deq.mt.gov/Water/WPB/wpbforms>).

SITE PLAN REQUIREMENTS : (PERMITS WILL NOT BE ISSUED WITHOUT AN ACCURATE SITE PLAN)

<input type="checkbox"/>	<input type="checkbox"/>	Industrial Affidavit (if applicable) <i>n/a</i>

I. General Information for Applicants

- A. Understanding the Regulations:** First, the proposed use must be specifically mentioned as a category in Uses Permitted Upon Issuance of a Special Use Permit within Section 7 of the Cascade County Zoning Regulations. Portions of the County Zoning Map and the Zoning Regulations are available at the Cascade County Website at <http://departments.cascadecountymt.gov/planning>.

II. Steps of the Application Process

- Wed. 1/30*
10/18
- A.** Schedule a Pre-Application meeting with planners to ensure the project will meet the standards for Special Use Permits as outlined within Section 7 of Cascade County's Zoning Regulations.
- B.** Complete, sign and return a Special Use Permit application and Special Use Permit Checklist, with the \$450.00 application fee to Planning Staff.
- Site plans, diagrams, business plans, operational statement checklist, photographs and other documents may be requested as part of a complete application, depending on the applicant's proposal.
- C.** Planning Staff will notify interested agencies of the proposed project to request comments for the application.
- D.** Planning Staff will schedule a public hearing before the *Cascade County Zoning Board of Adjustment*; Legal notice will be published twice in the Great Falls Tribune (at least six (6) days separating each publication) and sent by certified mail to all adjacent landowners.
- Planning Staff will present the application to the Zoning Board of Adjustment along with recommendations, based on findings of facts.
- The *Zoning Board of Adjustment* will make a determination on the application; three (3) affirmative votes are needed to issue the permit.
- E.** Upon written notice from the Planning Staff, the applicant may begin the permitted special use.
- F.** Permits may be revoked or expire for the following reasons:
1. The *Zoning Board of Adjustment* finds them in violation of the conditions of the permit or another regulation/ordinance.
 2. Approval is valid for one particular use and shall expire one year after the date of approval, if construction or the use has not started. The Zoning Administrator may grant a one-time only 6 month extension on the Zoning Board of Adjustment Approval.
 3. The Special Use Permit shall expire if the use ceases for six (6) months for any reason. Any future extension requests must be granted by the Zoning Board of Adjustment prior to the date of expiration.

III. SUP Criteria

- A.** Explain how the proposed use meets all of the required criteria below. ALL CRITERIA MUST BE DISCUSSED. If criteria are not applicable, please explain why. Attach drawings, additional text, site plans, and any other documents that will assist staff and the board in reviewing the proposed use. The more information you can provide, the easier it is for staff and the *Zoning Board of Adjustment* to review the application.
- 1.** The proposed development will not materially endanger the public health or safety.
- a)** Traffic conditions in the vicinity, including the effect of additional traffic on streets and street intersections, and sight lines at street intersections and approaches:

no additional traffic will be created.

- b) Provision of services and utilities, including sewer, water, electrical, telecommunications, garbage collections, and fire protection:

all services & utilities are in place.

- c) Soil erosion, sedimentation, and stormwater run-off:

there will be no more erosion, sedimentation, run off
as use will remain the same as it is now.

- d) Protection of public, community, or private water supplies, including possible adverse effects on surface waters or ground water:

everything remains the same as it is now, no
effects on any thing.

2. The proposed development is a public necessity, or will not substantially impact the value of adjoining property.

- a) The relationship of the proposed use and the character of development to surrounding uses and development, including possible conflicts between them and how these conflicts will be resolved.

N/A

- b) Whether the proposed development is so necessary to the public health, safety, and general welfare of the community or County as a whole as to justify it regardless of its impact on the value of adjoining property.

N/A

3. The proposed development will be in harmony with the area in which it is located.

- a) The relationship of the proposed use and the character of development to surrounding uses and development, including possible conflicts between them and how these conflicts will be resolved.

yes

4. The proposed development will be consistent with the Cascade County Growth Policy.

- a) Consistency with the Growth Policy objectives for the various planning areas (Please address all five goals with a separate sheet of paper).

Goal 1: Sustain and strengthen the economic well-being of Cascade County's citizens.

Objectives:

- A. Stimulate the retention of existing businesses and expansion of existing businesses, new businesses, value-added businesses, wholesale and retail businesses, and industries including agriculture, mining, manufacturing/processing and forest products.

n/a

- B. Stabilize and diversify the county's tax base by encouraging the sustainable use of its natural resources.

n/a

- C. Identify and pursue primary business development that complements existing business, which is compatible with communities, and utilizes available assets. Identify and pursue targeted business development opportunities to include, but not limited to, manufacturing/heavy industry, telecommunication, and youth/social services.

n/a

- D. Promote the development of cultural resources and tourism to broaden Cascade County's economic base.

n/a

- E. Foster and stimulate well-planned entrepreneurship among the county's citizenry.

n/a

- F. Promote a strong local business environment. Encourage and strengthen business support mechanisms such as chamber of commerce, development organizations and business roundtable organizations.

n/a

- G. Improve local trade capture for Cascade County businesses. Promote local shopping as well as well-planned businesses and new businesses.

n/a

- H. Network with and support other economic development efforts in the region and statewide, in recognition of Cascade County's interdependence with other communities and to leverage available local resources.

n/a

- I. Encourage the growth of the agricultural economy.

n/a

- J. Stimulate the growth of the economy by encouraging the use of alternative methods of energy production, including wind energy.

n/a

Goal 2: Protect and maintain Cascade County's rural character and the community's historic relationship with natural resource development.

Objectives:

- A. Foster the continuance of agriculture and forestry in recognition of their economic contribution and the intrinsic natural beauty of grazing areas, farmlands and forests.

n/a

- B. Preserve Cascade County's scenic beauty and conserve its forests, rangeland and streams, with their abundant wildlife and good fisheries.

n/a

- C. Preserve Cascade County's open space setting by encouraging new development to locate near existing towns and rural settlements and by discouraging poorly designed, land subdivisions and commercial development.

n/a

D. Assure clean air, clean water, a healthful environment and good community appearance.

n/a

E. Support the development of natural resources including but not limited to timber, mining, oil and gas production and renewable energy production.

n/a

F. Continue to work with federal and state agencies to redevelop properties within Cascade County which are currently undergoing Superfund and Brownfield processes.

n/a

Goal 3: Maintain agricultural economy.

Objectives:

A. Protect the most productive soil types.

n/a

B. Continue to protect soils against erosion.

n/a

C. Protect the floodplain from non-agricultural development.

n/a

D. Support the development of value-added agricultural industry in Cascade County utilizing the products from the regional area.

n/a

Goal 4: Retain the presence of the US Military in Cascade County**Objectives:**

- A. Encourage the federal congressional delegation to actively support maintaining the current mission status at a minimum.

n/a

- B. Promote the location of additional military missions in Cascade County.

n/a

- C. Encourage the reactivation of the runway at Malmstrom Air Force Base for fixed wing operations.

n/a

- D. Refer to the Joint Land Use Study for resolving conflicts and promoting mission compatible development.

*n/a***Goal 5: Preserve and enhance the rural, friendly and independent lifestyle currently enjoyed by Cascade County's citizens.****Objectives:**

- A. Maintain Cascade County's citizens independent lifestyle and minimize local governmental intervention, to the extent possible, consistent with the requirements of a continually evolving economy and constantly changing population.

n/a

- B. Preserve and promote Cascade County's rich cultural heritage, rooted in natural resource development and reflected in its numerous cultural/historic sites and archaeological areas.

n/a

- C. Promote fire prevention measures throughout the county, giving special emphasis to the extreme fire hazards present at the wild land/urban interface.

n/a

- D. Encourage the continued development of educational programs and facilities, recreational opportunities and spaces and health services for all county residents.

N/A

- b) Consistency with the municipal and joint land use plans incorporated by the Growth Policy.

N/A

ATTEST: I hereby certify that the information given herein is true and correct to the best of my knowledge. There are no restrictions placed upon my property which would prohibit the issuance of this permit. If there are any restrictions, then this permit shall become null and void. I hereby grant permission to any Cascade County Zoning Official to enter my property to inspect for compliance with the County Zoning Regulations in relation to this application.
